Dear Linda, John Jr., Roger, Brad, and family,We are thinking of you and your mother and remembering you all in our prayers.I was honored to grow up with your mother as a wonderful mentor and friend. She added so much to my own understanding of friendship, compassion, and the joy of beauty.I will never forget the joy we five girls shared when receiving the picture quilts your mom and our mom made of our farmhouse. Complete with a kitty-cat in the corner. What fun she had being creative and sharing her love of crafting, gardening,and art with our mom and with all of us children!Blessings for her, for your dad, and for all of you now and always-Sincerely,Sharon Eakin Larson
