Our family wanted to express their sympathy during this your time of loss. We wanted to express our sympathies and share this scripture in Job that brought us comfort during our time of grief. Job 14:14,15 "If a man dies, can he live again? I will wait all the days of my compulsory service until my relief comes. You will call, and I will answer you. You will long for the work of your hands." JR

Please accept my sincere sympathy. The Holy Scriptures says that a person who lives for 80 years is especially strong. (Psalm 90:10) What a privilege that your mother lived for 97 years. Take comfort in God's promise concerning the hope of seeing her again and living in a world without tears where heartache and death will be no more.
