Bob, It has been a long time since we last saw you and Ruby, out here in California. And even longer since I last saw the boys, Don, Jim and Tom there in Illinois. I think it was in the 70's when we lived down in Goreville that my mom, Kathy and dad Bill Foster drove us kids up there to visit. You guys had been out squirrel hunting I think with your dad. We are sorry we can't make it out, but our prayers are with you. Shannon & Cynthia Foster, Our children Sarah, Daniel and Elizabeth. The write up and photo on the website here is a really nice touch
