Jack used to help me out by refereeing games at Effingham Junior High. He was always there early and always coached the kids as he refereed the game. I am in Texas or would definitely be at his service. Jack was always a gentleman and always took time to visit with you regardless of where he was or what he was doing.

To Bette, Troy, and David... Jack was just a 'super' guy. I forget when I first met him. I'm sure it was a game where Carl was officiating. Anyway, Carl had to ref down at Pinkneyville. So Carl and I finally arrived there and I was hungry. So Jack graciously offered to show me where the kitchen was. He didnt leave me either. He stayed there with me. Another precious memory is the night after a game he wanted to show me his 'pride and joy'. Before he showed me he said it was a picture of Bette. Actually it was a picture of pride 'waxes furniture' and joy 'dishwashing liquid'!!!!.. THANKS FOR THE MEMORIES, JACK!!
