I worked with Mabel at FCH in the late 70's - early 80's. I just loved her laugh, common sense and sense of humor. She was such a good person. You could always count on Mabel to do her job and help the other staff to do theirs, too. I remember coming to pick cherries from the trees behind the house. Sorry for your loss but I know she is looking down from heaven and still keeping an eye on all of you. Chris Carver

I am so sorry for your loss. I worked with Mabel at FCH for many years. She was a wonderful person who gave her patient's excellent care and attention. She was ALWAYS fun to work with, and I can never remember her saying anything bad about anyone! I will never forget her, and I am certain that all of us who worked with her feel the same. You are in my thoughts and prayers. Vicki Kelly
