I am sorry to learn of Mrs. Wehrle's passing. I have so many fun memories of her when we were growing up! Junior high and high school years bring back so many thoughts of both Mr. Wehrle and her. I remember the Thunderbird they had and somehow fitting in the 2 of them as well as Deborah and me! She was always kind and gracious - and didn't get upset when we stayed up waaay too late at her house! Deborah, know you and all your family are in my thoughts and prayers.
