My dearest Kathy, how can I get thru life without you by my side... I have to thank you for always being my bestie and always showing up at every moment when I needed you. You have shown so much love and compassion for me and my kids, my kids call you their other Mother! LOL I will cherish all of the memories we have made over the years, vacations to the beach, Disneyworld, Six Flags and so on. I don't know how I got so lucky to have you as my friend but I do know how very thankful I am for the gift of YOU. I love you sweet Kathy and I will miss you everyday until we meet again! To Ed, Josh, Andria, Kari and Dustin, I'm a phone call away 24 hours a day, I will be there for whatever you need. Sometimes I might be there when you don't need me, in that case you can tell me to leave but you know me, I might not listen to ya! I Love all of you ❤️ Rest In Peace Kathy 😊
