Reba Burt

AUG 9, 1993 - JUL 25, 2023

Reba C. Burt, 29, of Montrose, IL, passed away at 7:39 AM, Tuesday, July 25, 2023 in Beecher City, IL, at her sister's residence, after a brief battle with cancer.

Per Reba's wishes, cremation rites will be accorded. There will be a Celebration of Life held at a later date. Memorials may be made to the family to aide in raising her children. Online condolences can be expressed at www.hohltandfilefh.com

Reba Christine Burt was born on August 09, 1993 in Oklahoma City, OK, the daughter of Patricia Joy Burt. Reba had an avid love for gaming and more recently for riding the side by side and facing her fears. As she knew her battle would soon come to an end, she chose to make the most of every day she had. Most of all, she cherished the time spent with her children and family.

She is survived by her sons, Zephyrus Grimmer and Renton Gramkow; daughter, Cassia Gramkow; fiancé, Russell Gramkow; sister, Amber and husband, Mike Stewart; nieces, Addison, Jacey, Phiona, and Mya Stewart; extended family and many friends.

She was preceded in death by her mother.

Zephyrus, I remember when your mom was pregnant with you, and when you were first born. She simply adored you! I just watched this footage recorded 13 years ago today. Your mom introduced me before a speech at Central Washington University. I thought you might enjoy having this for your memory books. https://m.youtube.com/watch?v=uZJcf3uEPbw&fbclid=IwY2xjawM_wCRleHRuA2FibQlxMQABHmMKVD11Oebuilb8Ci59Jxit1YJMDbVGpYvEMcqdikoy8iNezP89ha2erkz-_aem_RmkQOe8ikToA4cN2Bsmd2g

The brightest flames burn out the fastest...Ten years ago to the damned exact minute, I was cuddled with you as you slept and held Z as he fussed as under-2-month-old do. At twenty-five years your senior - I never expected to see this or write this as I expected the reverse to happen. As Zephyrus' father, Reba was obviously an important person in my life. We met under weird circumstances and parted under even weirder circumstances. Now she's left us all and it's totally absurd. My brain still can't accept dead at 29... My condolences to Zephyrus, his siblings, and Russell. I won't share years of photos of Zephyrus, Reba, and myself together. RESPECT... For Zephyrus, I will post a handful here. Russell, if you are willing, I'll share the pictures of Reba and Z with you for Z. Facebook me, I friended you finding this out.

I bought the flowers, I hope they were delivered. Reba is sorely missed by our close-knit xbox group, and we are still in shock. We knew she wasn't well, but it feels so sudden, I can only imagine how her little babies are feeling, she never, ever stopped talking about how much she loved them, and I hope they always know. We are in Australia, but I wish we could come to her funeral, she deserves the best final celebration.

I met Reba playing video games we may not have always seen eye to eye on things but she was a good friend. She will be missed. My condolences to the family.
