**Donna Ruble** sent a virtual gift in honor of Stella.

I met Stella at Odin rehab when I was there with a broken foot. She made a difficult experience so much easier. Her infectious laugh could be heard all over. We loved her laugh because it helped us laugh also, I wish we had met 10 years earlier because we could have gotten into lots of trouble and had lots of fun. She always had a bright outlook and never knew a stranger. We spent hours doing projects and playing cards. Stella was a sweet person and I will miss her so much. Rest well Stella. Hugs, Donna
