Born on July 16, 1930, Melvin Eugene Huber was the eldest of seven children of Leo J. and Rosa M. (Lindemann) Huber. On December 11, 1954, he married his beloved wife, Evelyn Alice Hill at New Bethel Baptist Church, Ramsey. Together, they were blessed with two children and cherished nearly 71 years of marriage, celebrating their remarkable union just four days short of that milestone.

Melvin was deeply honored to serve his country as a member of the United States Army during the Korean War, from 1952 to 1954. Following his discharge, he worked for Schwartz Construction and Borg-Warner for a little over a year. Ultimately, Melvin returned to his true passion—farming. He dedicated 38 years to farming and raising livestock on his land in Nokomis, IL, where he was also an active member of the Montgomery County Farm Bureau. In 1994, he relocated to Vandalia, but continued to help his son with the family farm he so dearly loved. In addition to his agricultural pursuits, Melvin also worked part-time in real estate with Century 21. Above all, he cherished his Lord, his family, and the farm that was central to his life. He was a devoted and active member of New Bethel Baptist Church.

Melvin was the sweetest, kindest, loving human being I think I ever met. No one will ever know how many lives he touched while being a counselor at the Rehoboth Baptist Church camp. My son had the pleasure of having Melvin as his counselor for so many years. And I know Melvin had a lot to do with my son's success in life. He will truly be missed, I hope that someday someone will be able to step up and fill his shoes. Thank you Gary and Evelyn for sharing your husband and your father with so many..
