“ Adam and family, So sorry for the loss of your mother. She was my favorite Aunt, and i loved her dearly. You were a very good son to her, and you made her proud. She left this world to soon, but she was so tired of hurting. Now, she is in no more pain, and free. You will have her memories close to your heart everyday, to help you get thru this painful time. You are special to me, so if there is anything I can do, I'm here. Love, Aunt Judy & Will
