“ We are so sorry for your loss. Mary was a lovely lady. We met her through United Stationers when she was our customer service representative. She was always kind, patient and helpful. No matter the issue....Mary would have the answer or solution and we always appreciated her and enjoyed working with her. We are certain she was a wonderful wife, mother, sister and grandmother as she had a very caring heart. We will be thinking of you in the days ahead. May your warm and loving memories bring you strength and peace.
With our sympathy,
